in the lives of YOUNG PEOPLE**

It's Your Move!

Across Australia, there are thousands of students who will enter high school next year. Many of them are wondering how they'll get on and what the future holds for them at this time of big change in their lives. Which is why Scripture Union Has produced **It's Your Move!**

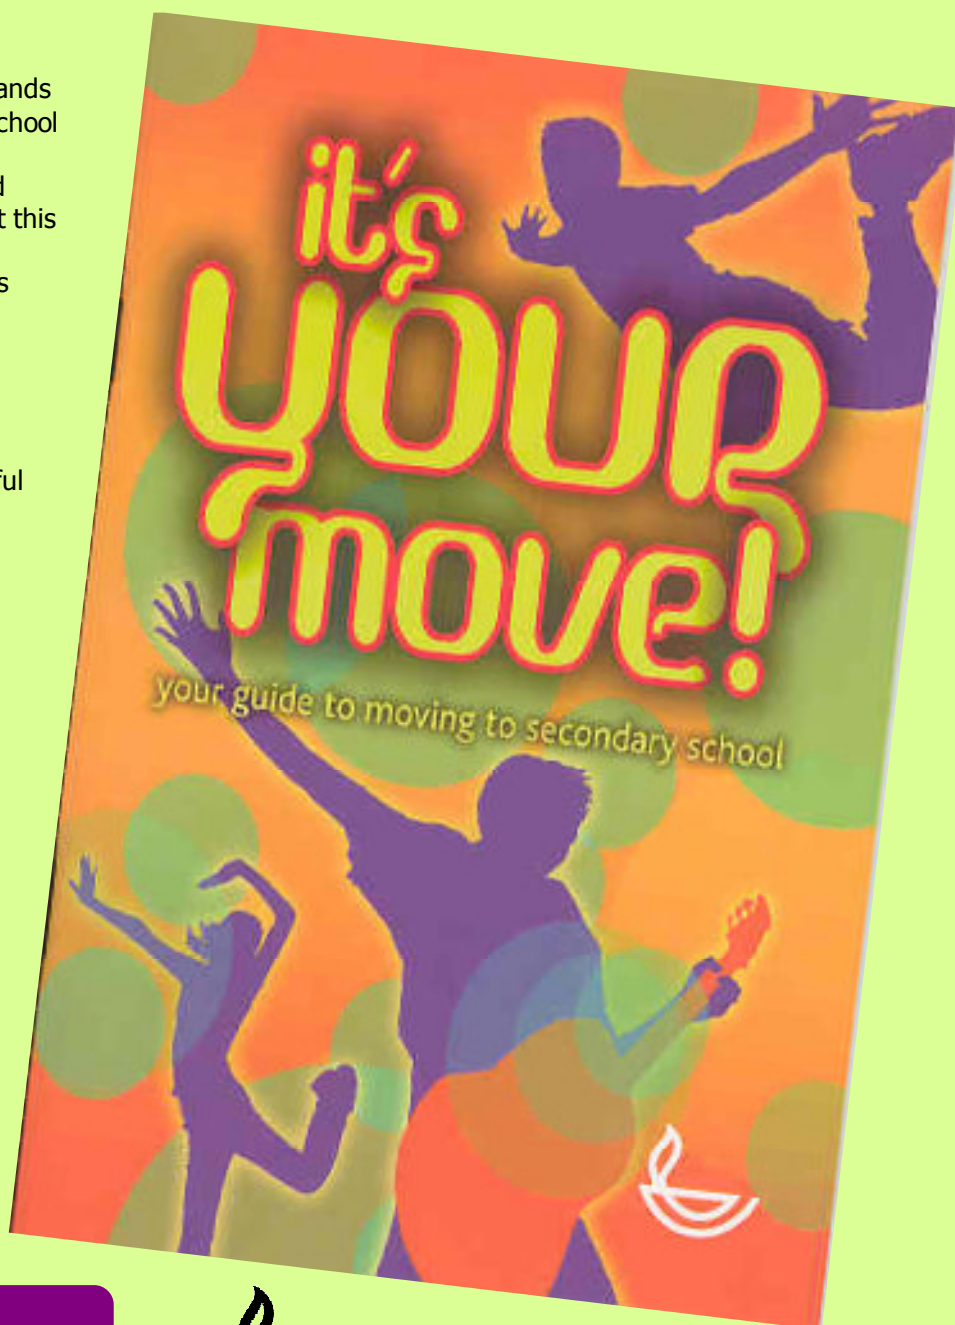

It's Your Move! contains

- An A-Z survival guide for high school
- Loads of wise advice and helpful interviews
- True stories, quizzes, puzzles and jokes
- The results of an Australian student survey

Scripture Union would like every final year student in their local primary school to receive a copy of It's Your Move!

They could be distributed through RE classes, special assemblies, school chaplains or through Christians active in the school community.

This is a great opportunity to help children make the transition into high school with confidence, and let them know that God is with them as they think about their future.
