Bible Studies for Youth

Cross Examination

Cross Examination is a no-nonsense six session course for young people wanting to understand the basics of the Christian faith. It follows the same themes as the very popular *Christianity Explained* course for adults. Designed for a group approach, the course could be used with teens in more formal teaching contexts, or by individuals.

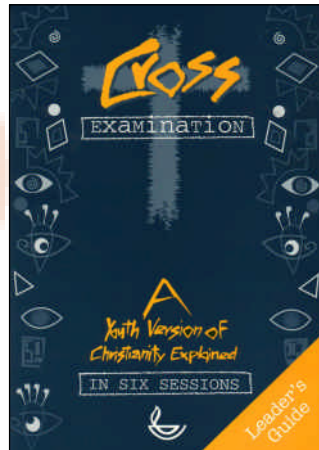

Cross Examination

Contains six sessions and is excellent for use with youth from a non-church background.

Connect

Connect addresses the big issues of the day - and helps you make a biblical perspective part of your conversation. Booklets in the series deliberately raise more questions than they answer in order to drive readers enthusiastically back to the Bible to explore what it means to live as God's people in contemporary culture. They are designed for use by both individuals and small groups.
